

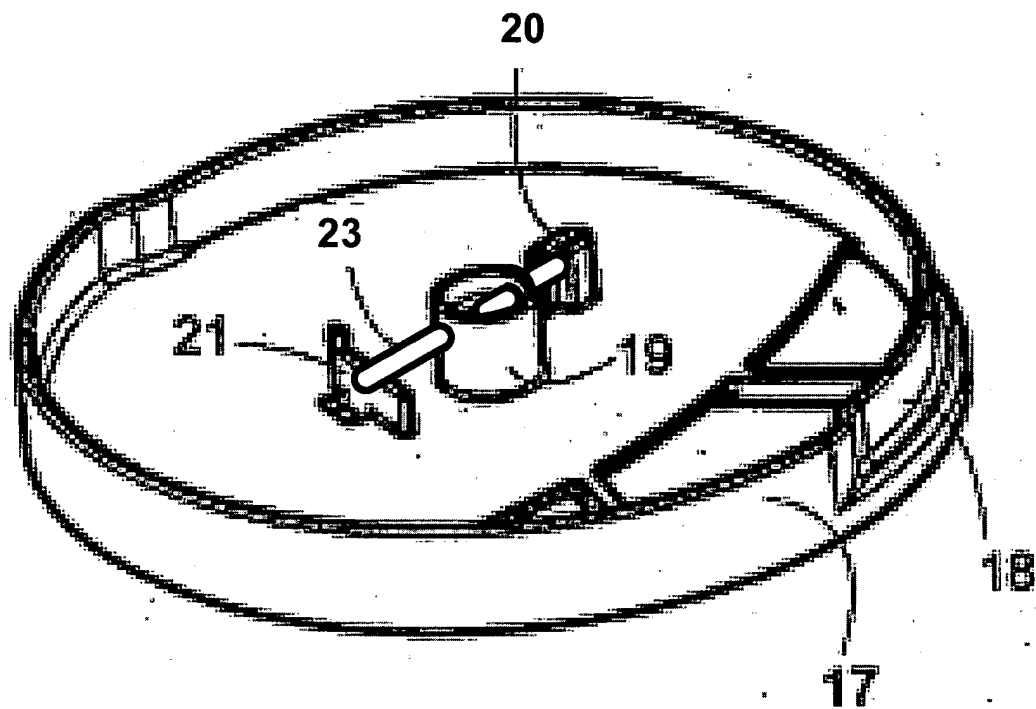

Fig. 10

This cross-sectional view shows a central block 19 on a substrate 13. A vertical line 12 passes through the center of block 19. To the left of block 19 is a horizontal block 23C, and to the right is a vertical block 20. A horizontal block 23B is positioned between block 19 and block 20. A small block 21 is on top of block 23C. A dashed line 23A indicates a boundary or interface between block 19 and block 20. A vertical line 22 is shown on the left side of block 19. A horizontal line 26 is shown on the right side of block 19. A vertical line 23 is shown on the left side of block 19.
